The competitive bidding process is the foundation of government purchasing. In rare situations, due to the unique nature of some goods and services, competition may not be possible. It is the responsibility of Procurement Services to verify that competition is not required and that the purchase will result in “best value” for Lamar State College Port Arthur, Lamar State College Orange, and Lamar Institute of Technology in compliance with Texas Education Code §51.9335(b). To make this determination, Procurement Services must understand the unique characteristic(s) of the good or service.

This form is designed to assist LSCPA LSCO LIT staff in communicating the required information to Procurement Services. Please answer the questions below as completely as possible. Additional pages may be attached as needed. Any supporting documentation (quotes, research documentation, etc.) should be attached. Please note that personal preference and/or price are not acceptable as a determining factor.
