## **What is TSI?**

The Texas Success Initiative (TSI) is a state-legislated program designed to improve student success in college. There are two components of the program:

1. An assessment to diagnose students' basic skills in reading, writing, and mathematics.
2. Developmental or college preparatory instruction to strengthen academic skills that need improvement.

## **Who must take an exam for TSI?**

Any student seeking a degree or certificate with more than 42 hours and who does not meet exemption criteria must take an approved exam for TSI.
