ApplyTexas

Instructions for Students

Go to ApplyTexas - www.applytexas.org

NEW ACCOUNT – Create an Account – REMEMBER YOUR USERNAME AND PASSWORD!*

EXISTING ACCOUNT – Log in to your ApplyTexas account. Under “My Applications” tab, look for “Copy” (under “Action” column). Locate an existing application (completed through page 5). Click the “Copy” link. If applying to a new 4 year university, use the first drop-down list, select new university and type of application, then click “start a new 4 year university application.” If applying to a new 2 year college, select new institution and click “start a new 2 year college application.” Lamar State College Orange is a 2 year college, so that is what you will choose.

Profile Page – Must be filled out accurately and completely.

- NOTE: Student Email is the email that colleges will use to contact you—the student. Use a personal email (not a school email as you may want to apply to somewhere after you graduate). *Please check this email OFTEN!!!!*
